### **Points of suggestion:**

1. As most of the customer is Female, so we should attract Female customer more by Advertisement, Coupons, Offers.
  2. More subcategories should be introduced in terms of clothing and cosmetic.
  3. Malls should have more brands of clothing and cosmetic to attract more customers.
  4. Malls can offer more offers on plastic money to increase the mode of payment in Debit and Credit cards
- more offers on plastic money to increase the mode of payment in Debit and
1. Credit cards
